Dear Quantum Allergy Canada Client,

Quantum Allergy Canada prides itself on the creation of positive business relationships with all our clients, and with all our vendors and professional associates. We believe that open, honest communication is the number 1 requirement for healthy and mutually rewarding business relationships. We have endeavoured to always keep you posted of changes and developments within our company, to deliver our products to you or your patients very quickly, and to address all business in a timely, courteous and professional manner.

We are proud to be your partner in allergy treatment. Together, we are making a positive difference in the lives of patients with respiratory allergies. Quantum Allergy Canada has been very successful in business thanks to you, and to the medical efficacy of our products. We continue to grow in all provinces, and we have more exciting developments for the near future as we continue our strong business growth.

If you have conducted business with us then you know we strive to give you the very best products, at a much more affordable cost than most competitors, and delivered as quickly as possible. **Since we are an independently owned company and are not affiliated with any other company, we can ensure the quality of our products, customer service and pricing meet the demands and expectations of all our respected clients.**

With all these advantages in providing allergy treatment sets to our clients on time, at a better price and with the same consistent superior quality you've enjoyed for years, why buy anywhere else?

Please feel free to contact me at any time with any concerns or questions you may have about our products or services. You can fax us at 1-888-862-8858 or email us at cserv@quantumallergyca.com

Kind Regards,

Christopher Chang
